Dear Jeff

Selling books and Bibles with Southwestern was one of the most life changing experiences I have had on this journey serving the Lord. Many of us say we have faith that the Lord will provide our every need but selling books, door-to-door, helped me to live that faith out on a daily basis knocking on doors each summer.

My faith, character, and boldness for the Lord grew every summer while working on my B.A. degree in Communications and after that pursuing my Missionary bush flying and maintenance training at Moody Bible Institutes – Moody Aviation. Mission boards do not like indebted missionaries. Much of my \$80,000 education was paid for by the hard work I put in those summers working with Southwestern.

Would I do it again, in a heartbeat! In preparation as a missionary and minister, I learned to be comfortable talking to anybody and everybody. I learned to adapt to any situation, and most of all I learned to be humble and realize that God is in control. He never guarantees it will be easy, but he promises to be by your side every step of the way.

Put your FAITH in ACTION and see what GOD will do.

Blessings
